

## MESSAGE

Nature is the Teacher, and Man the Pupil,  
The Principles are superior to all persons,  
Ideals remains, the ideas change,  
Law is the Master, experience it's Slave.

Emulate no theory, it is sure to change,  
Fix no ideas; it is subject to Prejudice,  
Form no opinion, it may be biased,  
Idolise no person, he is prone to fail.

Bow to the Truth, it is Manlihood,  
Have the courage in Heart; it is you, who will work,  
Follow the Law; your betters have followed,  
Understand the Nature, it is perpetual.

You be the Man, who does not die,  
Be kind to all, you are a Healer,  
Practice Homoeopathy, it is Best,  
Realise your Life, it is Sacrifice.
